1. **Affordable Care Act:** The Committee decided to have Kay Johnson from the Sidney Health Center who is a trained Navigator give a presentation to area small business employers (those with less than 50 employees) regarding the Affordable Care Act and its impact to their business. Kay will be getting back to Cheryl as to the date and time. She will also be providing Cheryl with some promotional materials. There will be no cost to have Kay present. It was agreed to hold the presentation in the hospital's conference room which holds around 30 people.
